George E. Huckins

Mr. Huckins was born in Deerfield, New Hampshire on March 20, 1884. He was the son of Edmund F. and Mary O. (Patch) Huckins. He died on October 29, 1965. Mr. Huckins came to Epsom as a young man and made it his home for the remainder of his life. He operated a lumber business for more than forty years; a part of that time in partnership with Alfred G. Bickford (Bickford & Huckins).

Mr. Huckins was a member of Evergreen Lodge, I. O. O. F. in Epsom for fifty years and a member of the McClary Grange. He served the town of Epsom as Selectman for three years and was the Town Constable for a number of years.

## **WARRANT**

### **The State of New Hampshire**

---

To the inhabitants of the Town of Epsom in the County of Merrimack in said State, qualified to vote in Town Affairs:

Business Meeting 7:30 P. M.

You are hereby notified to meet at the Town Hall in said Epsom on Tuesday, the eighth day of March, next at one of the clock in the afternoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To see what action the Town will take upon the budget submitted by the Budget Committee.
3. To see if the Town will raise and appropriate the sum of \$817.77 for the maintenance, construction or reconstruction of Class V Highways, the State to contribute \$5,451.82 as provided in Chapter 83 Laws of 1953.
4. To see if the Town will vote to authorize the Selectmen to borrow such sums of money as may be necessary in anticipation of taxes.
5. Pursuant to the Provisions of the Laws as revised, Chapter 292, Section 7, 1949. The following Article is submitted: Shall the Provisions of Chapter 171-A of the revised Laws relative to playing games of Beano be adopted in this town?
6. To see if the Town will vote to raise and appropriate the sum of \$280.00 for the Concord Hospital to

help offset the estimated operating deficit for the year 1965.

7. To see if the Town will vote to spend no more than \$100.00 in 1966 to improve the road at Northwood Lake Development located in Epsom, funds for the project to be taken from highway appropriations.

8. To see if the Town will vote to spend no more than \$100.00 in 1966 to improve the road leading from North Road to Chestnut Pond, funds for the project to be taken from highway appropriations.

9. To see if the Town will vote to raise the sum of \$200.00 to be used in the White Pine Blister Rust Control Program.

(Recommended in the Budget)

10. To see if the Town will vote to raise the salary of the Health Officer from \$10.00 to \$50.00 per year.

(Recommended in the Budget)

11. To see if the Town will vote to empower the local Health Officer to enforce all applicable State Sanitary Laws and Regulations of the State of New Hampshire.

(By Petition)

12. To see if the Town will vote to give financial aid to the Center Barnstead Fire Department toward the purchase of its new ambulance. (By letter of request)

13. To see if the Town will vote to remove the gates and bars near the home of Flora Sullivan to reopen the Tarlton Road or Old Mt. Road leading to the Tarlton property as a town road. (By Petition)

14. To see what action the Town wishes to take in regards to a Community Building. (By Petition)

15. To see if the Town will vote to accept the following Trust Funds, the interest only to be used for the care of family lots in Epsom Cemeteries:

James H. Yeaton Fund (\$25.00), James W. Briggs Fund (\$10.00), and Walter H. Quimby Fund (\$10.00) — given by George H. Yeaton.

## LIBRARIAN'S REPORT

---

The library now proudly displays their new lighting system. During the year the library has also taken on a new look with new hand rails being installed, a new sign displayed on library lawn telling hours the library is open and also a new magazine rack which makes the magazines much more accessible to the public.

The book committee consisting of Mrs. Evelyn Johnson, Mrs. Catherine Crosbie, Mrs. Margery C. Yeaton and Mr. Richard Gayer has met many times during the year with the librarian and given suggestions to the selection of books to be purchased. Many of the book committee and trustees have attended the book selection meetings held in Concord throughout the year and come back with better understanding and of what is available to us for our library.

A book sale of the discarded books was held during the summer at the library and the stand of Andrew Yeaton. All proceeds realized have gone for new books. Approximately 200 books were sold during this period.

Various organizations in town have continued to furnish a display at the library throughout the year.

There have been many book gifts and magazines donated to the library this year.

The Epsom Public Library joined the state centralized purchasing system early in the spring and at that time received a bonus of \$125 worth of reference books. Those received were *Searching for Your Ancestors*; *Flags of the U. S. A.*; *Twentieth Century Authors and supplement*; *Historical non-fiction*; *A Field Guide to the Stars and Planets*; *Magazine Cumulative Index 1947-62*; *Standard Catalog for High Schools*; *Webster's Third New International Dictionary of the English Language*; *Five Centuries of American Costumes* and *The World Almanac and Books of Facts*. The library has enjoyed their asso-

ciation and received up to 38% discount on books ordered through this state wide system.

Library Week was observed with a meeting at the Epsom Central School with the late Miss Shirley Barker as speaker for the evening. Corsages were presented to Miss Marjorie Yeaton for her years as librarian, Mrs. Florence Yeaton for recognition to her years served as a trustee and to the late Miss Shirley Barker. The Woman's Club served refreshments for this program.

The library has extended its hours to better meet the public demand.

Our State representative Mrs. Diana Anderson has given us of her full support and knowledge to start our library being one of the finest in the area.

Our trustees funds have been used for the purchase of reference books benefitting our young people. The funds of the budget have been used more for adult readers choice.

Representatives throughout the year have attended the State Friends meeting, State trustees meetings; book selection meetings; and Mrs. Evelyn Johnson was elected to serve on the Constitutional Rights and By-Laws of the Advisory Council of the Concord District and has attended the various meetings.

The Story Hours have been held throughout the year and it is hoped one a month will be held. There have been two film programs held this year and very well attended. These have been made possible by the School Board who has permitted us the use of the school, Mrs. Fortier who has operated the projector and Mrs. Rose Borden who has done most of the selection of the films.

With the present reading public in Epsom, the library appears to be progressing to a much greater progress in the community and better service to the residents.

Respectfully submitted,

(Mrs.) PHYLIS M. LaCLAIR,  
Acting Librarian

## REPORT OF PARK COMMISSION

---

The Park Commission wishes at this time to call attention to the improvements made at Webster Park during the past year and express its appreciation to the many volunteers who have made these improvements possible.

Thanks is given to the volunteers who donated labor and equipment to clean up the Park and continue the tree trimming program started the previous year, also to the members of the baseball team who renovated the baseball diamond and to the Legion for their work on a horse show ring at the rear of the Legion Hall.

Individual thanks should be given to Girl Scout Troop 523 for donation of picnic tables and barrels and for taking care of their section of the Park. We are also grateful to John French for furnishing water to the park without cost; to Walter Mack for the use of a gas stove in the refreshment stand; and to the Concord Shrine Club for donating the folding chairs that were used by many at the band concerts.

It should be noted that Park expenses have been offset by collecting a fee from out of town organizations, excepting church groups, that used the Park facilities during the summer.

Future plans at the Park include the continuation of the cleanup and pruning program; cleaning and spraying at the beach area; cleanout of the pond; and the construction of new and more conveniently located rest rooms. A request for funds for this last project has been included in this year's budget.

It might be noted that the Park would lend itself ideally to a 4-H project, or as a campground for Scouts or other groups. Inquiries concerning these projects will be welcome.

## **REPORT OF EPSOM VOLUNTEER FIRE DEPARTMENT**

**For Year Ending December 31, 1965**

---

The following is submitted the annual Report of the Epsom Volunteer Fire Department.

We have continued to keep our fire loss very small and by working on Fire Safety and with the cooperation of the townspeople we can continue to do so.

There has been much improvement in your Fire Department and 1966 will see much more improvement. But we need your help conscientiously and financially.

The new Fire Truck will do much for our improvement as well as protection.

We want to take this opportunity to compliment the townspeople for having been thoughtful and wise in spending the money to buy a piece of equipment that has proved to be the best buy in the State. Though it may seem excessive now — we aimed for 1985 and it will fit 1985; an all-round combination to fit the town, all-round fire suppression, underwriters requirements and purchase price.

For 1966 — finances permitting — we hope to see a training program, including all branches, faster alerting system, and new accessories that will give protection we need to keep up with the times.

We have in past years asked you to refer to past Town Reports; as many may not have them, we are asking that their contents be reprinted.

From the Chief of the Epsom Fire Department — I ask you all to be careful. Most fires are accidental, most accidents are carelessness. Both are lack of thinking. So let us think. There are greasy rags, rats' nests, glass, electricity, smoking and many ways fires can start. While we are watching the ninety-ninth, the hundredth

will get us. But if we think of the ninety-nine, we have cut the chance of a fire down to one out of a hundred against fire. We may have fifty per cent luck and fifty per cent right thinking. As luck is not to be depended on let us make it twenty-five per cent luck and seventy-five per cent right thinking.

Gas burning vehicles in barns and sheds. Gas, oil, and electrical heating elements, etc., heating units, frayed cords, etc., smoking — never smoke in bed and remember — a spark in an easy chair or waste basket can set your home on fire hours after you have retired or left it. Bear these things in mind and have extinguishers of proper kinds in proper places and keep them loaded. Know how to call your Fire Department. A twenty minute delay can burn a set of buildings.

In case of fire or smoke call your Fire Department at once no matter how small or what you think it is.

Please keep these reports for reference.

Respectfully submitted,

R. G. WARREN, Chief,  
Epsom Fire Dept.

**PLEASE READ**  
**and follow instructions**

**IN CASE OF FIRE DIAL 4622**

Give your name and location of fire.

This number is to be dialed in case of fire ONLY.

The above number is the Red network. The Red network is:

Five red phones placed in the homes of fire officials about the town. There are also hooked to these phones two extensions — two gong bells and a buzzer. Anyone dialing the above number will start all these phones, bells and gongs ringing at once. They will continue to ring until someone answers. **SO WATCH YOUR DIALING and avoid FALSE ALARMS.**

For any other business with the department, dial:

4732 Chief R. G. Warren, or

4732 Fire Station

**The Siren —**

The siren board, which we value at \$150 to \$200 but which was made at a cost of only \$25.00 to the taxpayers, is for the purpose of blowing the siren to call help and also to blow code designating the location of the fire. It is tested each Saturday at 12:30 by one short blow.

Each blow or number of blows is repeated to be sure of count. The Code is:

1 long blow — Fire Station

2 repeated — all east of Firehouse

3 repeated — Gossville and Goborough Road

4 repeated — Traffic Circle — all west of river

5 repeated — Short Falls — East of River

6 repeated — New Rye

7 repeated — Civil Defense

1 short blow "all out"

For members going by Fire Station there is a blackboard at the front with location of the fire written on it.

## REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

---

Most of us who live in New Hampshire and the thousands of vacationists that visit us every year love the State for the variegated woodlands that encircle our clean lakes and clothe the hills and mountains. Most of us appreciate these values, but still there were enough careless people among us to cause over 880 grass and woodland fires to start in 1965. True this was a much dryer than normal year but this should have meant the use of extra care. Fortunately the fire fighting forces have held the line against such careless acts. It is up to each one of us to be ever mindful that a spark or flame is a potential fire.

### **We Must All Be Careful:**

1. To teach our children the danger in lighting matches.
2. To never discard lighted smoking material from a car or while walking through fields or woods.
3. To safely dispose of rubbish preferably at the town dump. If you must burn rubbish or brush:
  - a. Always get a permit to burn from the warden.
  - b. Start your fire late in the day after 5:00 p. m.
  - c. If burning a field or brush have equipment and adequate help on hand. The heat from your fire creates its own draft to spread fire.

Our carelessness with fire is costing our State and Towns thousands of wasted dollars in suppression and hundreds of acres of destroyed woodlands. Yours never to enjoy.

## **REPORT OF HEALTH OFFICER**

**Year Ending December 31, 1965**

---

The usual inspections regarding health problems have been made during the year and a number of nuisances disposed of.

Some of the problems of your Health Officer are caused by lack of cooperation from the residents of the community, and one of the serious ones concerning the State as well as the local authorities is sewage disposal. Anyone setting up a system is urged to contact the local officer so that prescribed specifications may be complied with.

A constant vigil must be kept regarding diseases which may seriously affect the community and your assistance will be greatly appreciated.

Respectfully submitted,

CLARENCE E. BARTLETT,  
Health Officer

To the Inhabitants of the School district in the town of Epsom qualified to vote in district affairs:

You are hereby notified to meet at the Epsom Central School in said district on the 5th day of March 1966, at 2:00 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers and agents and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the State Foundation Aid Fund together with other in-

come both State and Federal: the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the District will vote to establish an area school planning committee of three members in accordance with the provisions of R. S. A. 195-A:3, said committee to work in cooperation with similar committees established or to be established by the School Districts of Chichester, Pembroke, Allenstown, Deerfield and Hooksett to investigate the advisability of creating an area school to serve any or all of said districts. Committee members shall be appointed by the moderator.

10. To transact any other business that may legally come before this meeting.

Given under our hands at said Epsom this 9th day of February 1966.

# REPORT OF SUPERINTENDENT OF SCHOOLS AND ASSISTANT SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Epsom:

The Epsom Central School was organized in September, 1965 as follows:

Grade	Teacher	Pupils
1	Mrs. Elsie Fife	35
2	Mrs. Katherine Crosbie	32
3	Mrs. June Cote	22
3	Miss Beatrice Scamman	22
4	Mrs. Betty Walker	25
5	Mrs. Doris Philbrick	30
6	Mrs. Elizabeth Stimmell	32
7	Mrs. Bernice Omand	34
8	Mr. Norman J. Fortier, Principal	34
Total Elementary		266

Other Staff Members include:

Mrs. Dorothy Wells, R. N.	School Nurse
Mrs. Blanche Batchelder	Custodian
Mrs. Eloise Ring (as of Jan.)	School Lunch Manager

Epsom District tuition pupils attending high schools and approved public academies, was as follows:

District or Public Academy	Elem.	9	10	Grade 11	12	Total	Tuition Rate
Coe-Brown Northwood	—	2	1	1	—	4	\$489
Concord High	—	4	2	6	2	14	575
Pembroke Academy	—	22	14	12	12	60	485
Pittsfield High	—	1	1	—	1	3	454
Pittsfield Elementary	7	—	—	—	—	—	289
Total Tuition Pupils	7	29	18	19	15	88	

Upon completion of four of the rooms in the new eight room addition it was possible to assign grades 5, 6, 7 and 8 to the new facilities. It was also possible to assign one section of grade 3 to one of the unfinished classrooms in the new addition. These changes released the auditorium for the use for which it was intended. However, serious consideration should be given to completing the remaining classrooms as soon as possible. Based on current enrollment, it is evident that it will be necessary to occupy one of the unfinished classrooms each year for the next four years.

On January 13, 1966, your school board and I attended a meeting at Pembroke Academy for the purpose of discussing either the **Area Concept** type of organization or the **Cooperative School District Concept**. Due to the momentum that cooperative school districts have made in the last ten years, it would seem that serious consideration be given to long range planning either through contractual agreement or in joining into a cooperative school district. This is necessary to insure the education of your children in secondary level.

Mr. John Houghton, Jr., was elected Assistant Superintendent of Schools in the latter part of October and began his duties on November 1, 1965. Mr. Houghton brings with him a wide experience in teaching and administration and will be a great asset to Supervisory Union No. 44. He replaced Bruce L. Smith who resigned to accept a position in Biddeford, Maine.

Title I of the Elementary and Secondary Education Act of 1965 (PL 89-10) has made available to the nation's elementary and secondary schools an unprecedented opportunity to bring substantial resources to bear upon problems of educationally deprived children. In view of this, substantial improvements can be made in your school.

In conclusion, we would like to express our appreciation for the cooperation given us during the year by the Citizens, School Board, Teachers and Children of Epsom.

Respectfully submitted,

RAMON MARTINEAU  
Superintendent of Schools

JOHN HOUGHTON, JR.  
Assistant Superintendent of  
Schools

## REPORT OF THE PRINCIPAL

---

There were several changes and innovations during 1965. The new addition to the building was completed and occupied in March. By September, even the additional four classrooms thus provided proved inadequate when a record enrollment forced us into an additional third grade. Grade 3A, as it is called, is presently in temporary quarters pending completion of another downstairs classroom.

A remedial reading program was instituted in the fall under the guidance of Mrs. Fife and Mrs. Omand, with Mrs. Philbrick and Mrs. Stimmell assisting. Twenty-four students entered the program and are making excellent progress. We hope to be able to enlarge and improve this program to benefit a greater number of students.

Other innovations include the opening of a science laboratory in one of the old classrooms; a school library operated by and for the students; and a special activity period, once a week, for such diverse activities as Art Club, Glee Club, Chess Club, etc. The school newspaper, published by the seventh and eighth graders, under the guidance of Mrs. Omand, is in its tenth year of publication. The hot lunch program, planned for November, got a late start, but is currently in full swing.

On behalf of the teaching staff of the school, I would like to take this opportunity to thank the people of Epsom for their interest in, and support of, the education of their children.

Sincerely,

NORMAN J. FORTIER,  
Principal

## SCHOOL HEALTH REPORT

### EPSOM

---

To the Superintendent of Schools:

During the school year of 1964-65, as part of the school health service, all the pupils in the Epsom Central School have had health inspections. These included checking height, weight, vision, teeth and tonsils. Those children in grades I, III, V and VII had their hearing tested, also, as did all pupils with a known hearing problem or a history of ear trouble.

Whenever defects were found, the parents were informed either by a home call or a letter. Parents have been very cooperative in having defects corrected as is shown by the following summary of tests, defects and corrections.

Tests and Examinations:		Defects Noted:		Corrections:	
Vision tests	253	Vision	25	Vision	24
Hearing tests	74	Hearing	4	Hearing	2
Heights & Weights	252	Teeth	88	Teeth	119
Teeth & Tonsils	252	Tonsils	4	Tonsils	5
		Skin	3	Skin	1

The Heaf test for tuberculosis was administered by the New Hampshire Tuberculosis and Health Association in November 1964, at which time 238 students and adults were tested. Of these, 3 were referred for chest x-rays. This program will be held again in October 1966.

A Pre-School Clinic was held on April 23, 1965. It was attended by 26 children. Each child received a routine health inspection by the school nurse.

A series of Immunization Clinics, limited to pre-school children and pupils in the lower three grades, was

held in the spring. Immunization included 95 Triple Toxoid and/or Diphtheria and Tetanus; 30 Smallpox Vaccinations and 90 oral type Polio.

The school had the usual outbreaks of various communicable and infectious diseases. Cases reported included those listed here:

Chicken Pox	23	Infectious Hepatitis	1
Measles	43	Epidemic Conjunctivitis	19
Mumps	5	Infectious Mononucleosis	2
German Measles	3	Rheumatic Fever	1
Ringworm	4	Impetigo	1

The New Hampshire Sight Conservation Program provided an eye examination and glasses for one child, and the Concord Chapter of the Lion's Club provided the same services for another student.

I would like to take this opportunity to thank Mr. Martineau, Mr. Houghton, the School Board, the teachers and the parents for their consistent helpfulness.

Respectfully submitted,

DOROTHY Y. WELLS, R.N.,  
School Nurse
